Twitter! @Love_Catford and other social media

Thank you so much for attending today's Marketplace meeting.

If you are on Twitter please tweet about the Catford South Assembly this evening. Using your smart phones, write your thoughts about who you have seen and spoken to and then **close it with #CSAssembly**.

If you are having a chat with @TeamCatford tonight then please use: **#CatfordConversation**

Marketplace Event

Monday 12 November 2017, 7-9pm. Rushey Green Primary School

This Marketplace assembly event is different to our usual style of formal meeting, but we really hope you get a lot out of it and take your chance to have actual conversations with some of the amazing local groups and people helping deliver change in the area!

At this event you get to vote at this meeting on Projects you want to fund.

This booklet also contains information on each project and details of how to vote.

Agenda / Booklet Contents

1 - Introduction to the Marketplace event. Including:

- How to vote
- Details on organisations hoping to secure your vote for funding and where to find them
- Who else can you talk to tonight as part of the event

The market place will last for the whole of the meeting time, so you will have plenty of opportunity to talk to everyone. We suggest you prioritise your voting and visit those stalls first.

2 - Time to visit and talk to organisations looking for your vote

- Use this time to ask questions and find out more before placing your votes

3 - VOTE

- All votes must be cast by 8.15pm. No voting cards will be counted after this time

4 - Continue to chat to organisations, groups and councillors

- Use this opportunity to find out as much as you can about the big things happening locally soon. Details of all attendees are in this booklet

5 - Announcement of the successful Projects

- Note: this announcement will be made on the night only if we can ensure counting accuracy in the timescale available

7 - Meeting closed

1 - Introduction to the Marketplace event.

What should you think about when placing your vote?

- Does the project meet an existing Priority and need within the ward (see voting card)
- Number of people who will benefit from the project
- Does the project fill a needs gap in the ward
- Does the project target or particularly impact on a particular vulnerable, marginalised or hard to reach community.
- Quality of project and deliverability
- Good value for money
- Other Funding and Funding in kind- has the project secured any volunteering hours, free room hire etc.

How to vote:

- You have been given a voting card on entry to the marketplace event. One voting card per person.
- To be eligible to vote you must live, work, learn or play in Catford South ward – please add your postcode Catford South Postcode
- Use the first hour to talk to organisations hoping to win your vote, before making your decisions.
- This booklet gives you brief information and the budgets for each project
- To vote please place a tick next to your preferred projects on the card
- You must vote for **5 projects**.
- Cards that vote for less than 5 projects will **NOT** be counted
- Put your voting card in the box by **8.15pm**. Any cards submitted after this time will **NOT** be counted
- We will do everything we can to announce the successful projects on the night if this is viable. It is paramount that the outcome of the vote is accurate.
- Enjoy the rest of your evening chatting to local groups and organisations.

Details on organisations hoping to secure your vote for funding and where to find them

The following organisations will be asking for your vote to secure some Catford South Local Assembly funding tonight. These have been listed in alphabetical order.

Details of their projects and budgets can be found on the following pages of this booklet

Organisation	Project Title	Application Amount
Abbotshall Community Garden	Catford Orchard Trail	£920
Abbotshall Healthy Lifestyle Centre	Stay and Play Sessions	£775
Abbotshall Healthy Lifestyle Centre	Youth Club	£2250
AJAY Fitness	Tiny Ballers Soccer School	£700
Catford Film	Film Making workshops	£2500
Cavendish Court Association / Rushey Green Primary School	Culverley Road Schools Safety Programme	£600
CHAMPS Academy Lewisham & Bromley	Confidence & Life Skills Coaching Club for Young People	£838
Corbett Residents Association	Gazebos for Public Events	£1,000
Culverley Green Residents Association	Improvements To The Green	£500
Diamond Club / St Andrews Church / Brownhill Baptists / Holy Cross	Catford South Connects Older People	£2,270
Lewisham Tigers	Under 8's Football	£1,110
Lewisham Youth Theatre	Junior Youth Theatre:	£1,400
Ravensbourne Residents Association	Community Clean Up	£725
TTT - Third Thursday Time	Mental Health Cafe	£1,750
Torridon Primary School	Cleaner Air Hedge Fund	£2,500
Young At Heart Group	Activities For Older People	£1,075
Total:		£20,913
Available:		£15,000
Over-subscribed:		£5,913

As we are over-subscribed by nearly £6,000, several projects will not be funded – please use your votes wisely and take time to find out more about all the projects.

Organisation:	Abbotshall Community Garden
Project Title:	Catford Orchard Trail
Application Amount:	£920
Priorities Addressed:	Environment, older people and younger people
Project overview:	

Abbotshall Community Garden – Orchard trail

We are looking to plant an orchard of miniature stock fruit trees, these will be situated along the perimeter of the playing field. This will allow us to create a trail in order for people to walk, run or cycle around the boundary of the site.

These small trees do not grow more than 5ft tall, which makes them easy to prune and more of their energy goes into producing fruit.

We can plant lots of different varieties in a small space, including; apples, pears, cherries, quinces, apricots and plum to name a few. We already have 2 existing olive trees in our main garden.

The orchard will benefit many different groups from the community including; the cubs, scouts, youth and mature groups.

Our gardening club and Young at Heart at the HLC will be initially planting and taking care of the trees in order for them to thrive. Each tree will be labelled so that everyone can identify each specimen.

We also intend to erect a pergola on which to grow wine producing grapes. We intend to make the orchard accessible to all so that the benefits are felt by all members of the community.

Amount applied for from the Catford South Local Assembly:	£920
50 fruit trees on miniature stock	£500
Compost	£120
Pergola for grape vine	£150
Grape vine and other shrubs	£150
Total Project Expenditure	£920
Income: C.S. Assembly Funding Requirement	£920
Other Income:	£0
Other income in Kind:	£0
Total Project Income:	£920

Organisation:	Abbotshall Healthy Lifestyle Centre
Project Title:	Stay and Play Sessions
Application Amount:	£775
Priorities Addressed:	Activities for Children and Young People
Project overview:	

Stay & Play sessions for children under the age of 5 at Abbotshall HLC.

These sessions will be managed and run by local volunteer parents and carers. In fact we have been running the new improved stay and play for 5 weeks and we have seen numbers attending rocket (from 0 to 30 children last week!). We've had terrific feedback from those attending so there is definitely a demand.

We provide a fun safe environment for both children & adults. With an emphasis on creativity and outdoor play. Each session there will be a creative craft project for children and carers to work on together and a healthy snack will be provided for every child.

Playing helps children with their development and improves their health and wellbeing. Children learn through play, they develop new skills, and make local friends.

Parents and carers will also meet others in a friendly environment, support one another by sharing parenting skills and experiences.

All parents and carers will be made to feel welcome in the group. We ask for a small voluntary donation which will cover some of the craft supplies.

We want to make the session as environmentally low impact as possible and as such will use recycled materials for crafting as much as we can and have asked for and received donations of second-hand toys from the community.

However in order to maintain the quality and keep up with the growing numbers there are a few things for which we'd be very grateful for funding (Children's furniture, fancy dress, musical instruments, art supplies and play mats).

Sadly Abbotshall HLC is under threat of closure. We believe that providing this service for local parents and carers will have an integral role in engaging the community and encouraging volunteers and creating a general buzz around Abbotshall, helping to secure its future.

Amount applied for from the Catford South Local Assembly:	£775
Musical Instruments	50
Paint pots, paint, paint sticks, glue, stickers, brushes, aprons	£150
Assortment of paper	75
2 x small children's folding tables	£60
8 small children's chairs	£144
2 x children's play rugs	£70
Sand & Water Tray	£100
Painting Easel	£25
Total Project Expenditure	£905
Income (where the money is coming from)	
Local contributions	£130
Total Project Income:	£905

Organisation:	Abbotshall Healthy Lifestyle Centre
Project Title:	Youth Club
Application Amount:	£2250
Priorities Addressed:	Activities for younger people
Project overview:	

Abbotshall Road Youth Club.

The aim is to provide a youth club on a Friday evening between 4.00 – 8.00pm. During these times young people will have access to the studio and outside space of the Abbotshall Healthy Lifestyle Centre. The age range will be from 8 – 14 years old.

There will be a project co-ordinator to ensure things run smoothly but it is intended that the young people become involved in the running of the club and take responsibility for what goes on. This is intended to give them a sense of belonging, giving a safe place for them to meet and socialise, prevent isolation for those who go home and do not have the opportunity to mix outside of school. A qualified coach will run sports and keep fit sessions on a regular basis giving participants a chance to develop skills while getting fit.

The young people will be encouraged to take up training and act as volunteers for the centre supporting other projects that take place as well as developing the Youth provision.

The young people will be encouraged to develop their own forum giving them the responsibility for developing their own program of activities. They will be producing their own policies and procedures and managing their finance.

A representative from the forum would be asked to join the Abbotshall Healthy Lifestyle Management Committee to assist them to shape services for the future especially those for young people.

Amount applied for from the Catford South Local Assembly:	£2250
Project Co-Ordinator (£13ph x 2hrs pw)	1'300
Sports Coach (£25 x 1hr pw)	1'250
Venue hire (£10ph x 4hrs pw)	2'000
Recourses & equipment (to be confirmed by young people)	1'000
	£
Total Project Expenditure	£5550
Assembly Fund requirement	2'250
Crowdfunding	
Other Funding - subs	1'300
In Kind Funding: Free venue hire	2'000
Total Project Income:	5550

Organisation:	Ajay Fitness
Project Title:	Tiny Ballers Soccer School
Application Amount:	£700
Priorities Addressed:	Activities for children
Project overview:	

Tiny Ballers Soccer School

Tiny Ballers Soccer School is an early childhood development sports club that will provide 2 sessions of football coaching to toddlers and infants every Saturday morning at Abbotshall Healthy Lifestyle Centre.

Tiny Ballers will not only aim to improve children's football skills but also to serve as a platform to help develop social skills, improve emotional control, and build self-confidence in a fun and friendly environment during the critical phase of early childhood.

All sessions will be designed using the Long-term Player Development (LTPD) 4-corner Model created by the FA, to promote development in 4 key areas; technical, psychological, physical and social.

The first session for the 2-5 year old age group will comprise mainly of mini-games designed to slowly introduce toddlers to the basic skills needed to play football. These games will focus primarily on building on the fundamental technical skills of football such as control, dribbling, passing and shooting. Children will be challenged to listen effectively and follow instructions with some games requiring a degree of teamwork and competitiveness.

The second session for the 5-7 year old age group will introduce more advance skills and concepts and focus on increasing players understanding of the game in a match situation.

With funding we would look to recruit a young volunteer from the local community as a support coach, purchase equipment needed for the sessions (bibs, footballs, cones, etc.) and design, print and hand out flyers to promote Tiny Ballers to the local area.

Amount applied for from the Catford South Local Assembly:	£700
4x PVC Portable Goals	£200
2x Set of Disc Cones	£50
Assortment of different colour bibs	£50
15x Passing Target Hoops	£40
Size Appropriate Footballs	£120
Support Coach	£300
300x Flyers (estimate)	£100
Total Project Expenditure	£860
Income (where the money is coming from)	
Assembly income	£700
In Kind Income: Lewisham Tigers FC	£160
Total Project Income:	£860

Organisation:	Catford Film
Project Title:	Film Making Workshops
Application Amount:	£2500
Priorities Addressed:	Improving the cultural offer in Catford South Developing opportunities for training and employment
Project overview:	

Catford Film Making Workshops

Catford Film is planning to set up some sustainable, structured free film training to help nurture local talent and feed an interest in the creative side of cinema. This will allow people to not only learn how to put a film together, but to actually be part of a production team moving through the whole film development process.

We intend to feed local creatives with the knowledge and confidence to take steps towards making their first film, for existing film makers to firm up their knowledge and for anyone with a passing interest in how films are made to find out more.

The training will be open to the local community and beyond, feeding an interest in writing and processing your ideas to a finished film.

Our aim is for people with an interest in making film to connect with and learn from people already working in the industry. This will allow local wanna-be film makers the opportunity to network with the wider film community.

We will promote the events with a strong perception that Catford is at the centre of bigger cultural initiatives in South East London, and to generate an interest in film as an art form. It will excite a wider appetite for creating more film related projects in Lewisham and, along with other film events we are involved in, help our area to be considered for wider film initiatives by outside film related companies and the general film making community.

Amount applied for from the Catford South Local Assembly:	£2500
Venue hire	£400
Professional tutors	£1600
Film licences	£400
Equipment	£1300
Contingency	£350
Total Project Expenditure	£3800
Income (where the money is coming from)	
Assembly Fund requirement	£2500
In kind Funding: £500	£500
Other Funding: Crowd Funding £500	£500
Sponsorship: Local Business	£300
Total Project Income:	£3800

Organisation:	Cavendish Court Association / Rushey Green Primary School
Project Title:	Culverley Road Schools Safety Programme
Application Amount:	£600
Priorities Addressed:	Children and improving the Catford South Environment
Project overview:	

Rushey Green and Holy Cross Primary Schools have endured long-term and increasing traffic risks during schools opening and closing times. Parents are now ever more dependent on cars and the Culverley Green primary schools lag behind in improvements to child welfare and road safety outside of schools.

Children cannot see past the heights of double parked vehicles during school drop offs and pick-ups; vehicles park too closely to the school exit gates with no supervisory attendant for road crossing. Double parked vehicles create a specific risk of collision and accidental injury for children, obstructing thoroughfare traffic and impeding moving vehicles which speed up to escape the traffic blockade.

The Culverley Green air traffic pollution exposes young developing children to asthma and lung disease. Nitrogen Dioxide levels in air pollution outside Rushey Green Primary School, recorded in 2015 at a risk level below acceptable European Union recommendations for safe breathing for children at 36 parts per million

http://www.thisislocallondon.co.uk/news/15494307.Catford_has_dangerously_high_levels_of_air_pollution_as_campaigners_call_for_action/

Council Parking Enforcement has not yielded a solution for the dual risks of vehicular danger and the silent chronic damage to young lungs.

We ask you to support our primary schools' children by voting for us to:

1. Fund schools road safety banner (designed by children in the schools of Rushey Green & Holy Cross Primary Schools): 3metre wide external all weather proof banners reminding parents to think before they park and turn off engines. This strategy educates parents to be healthy role models for their own children.
2. Create a schools traffic safety funding pot for schools' Parent Teacher Associations/ organisations to explore support through recruiting voluntary 'lollypop ladies' and schools crossings traffic monitor! **Thank you!**

Amount applied for from the Catford South Local Assembly:	£
Safer Parking Large School Gate Banners [3metres] x 2	£500
Rushey Green & Holy Cross Schools Safety Road Fund (and consideration of roads crossing volunteer)	£100
Total Project Expenditure	£600
Income (where the money is coming from)	
Assembly Fund requirement	£600
Total Project Income:	£600

Organisation:	Champs Academy Lewisham and Bromley
Project Title:	Confidence & Life Skills Coaching Club for Young People
Application Amount:	£838
Priorities Addressed:	Activities for children and young people
Project overview:	

A 6-week Confidence and Life skills programme for children.

Many children struggle with issues such as low self-esteem, stress and anxiety, emotional resilience problems (sometimes caused by bullying) which can often lead to social anxiety, body confidence issues and lack of social skills.

This programme will help children between the ages of 7 and 12 to teach them skills and tools that they can use to increase their confidence, self-esteem, resilience and help them to manage negative thoughts and emotions in a fun and proactive way.

Children will learn ways to overcome social anxiety, boost their ability to communicate confidently and be understood. In addition, this can help to improve their school work and their grades. They will come away with strategies to help them reduce stress and anxiety.

Children will learn tools for life and the strategies they will gain can be used at home, school or anywhere they need them. This will help them to approach life with a balanced and resilient mind-set.

Parents will also be supported with regular communication and given advice and tips throughout the programme. The improvement each child has made will be evaluated and recorded at the end of the 6 week programme.

The funding will be used to reach families on lower incomes that would not normally be able to pay for their children to have coaching or attend this type of club. It will give us the opportunity to run the project for free, in order to help those children.

Expenditure (the costs of delivering the project)	
Venue Hire (£25 x 2hrs) x 6 weeks	£300
Printed Marketing Materials (A5 Flyers & posters)	£70
Distribution of flyers (£50 per 1000 flyers)	£100
Marketing (Online ads)	£80
Travel (£8 per week)	£48
Coach time (£40 per week)	£240
Total Project Expenditure	£838
Amount applied for from the Catford South Local Assembly:	£838
Other funding	£0
	£
Total Project Income:	£838

Organisation:	Corbett Resident Association
Project Title:	Gazebos for Public Events
Application Amount:	£1000
Priorities Addressed:	Improving the cultural offer, activities for all the family
Project overview:	

Gazebos to use for outdoor events

The Corbett Residents Association launched in September 2010 to bring together local residents for community activities and events, allowing neighbours to get to know each other and share interest.

The CRA aims include providing a network for neighbours to meet and get to know each other.

Hold community events e.g. annual firework display, quiz evenings, Easter Egg Hunt plus lots more. Identifying vulnerable residents to offer support and acting as an advocate to improve the local neighbourhood parking, fly tipping and anti-social behaviour etc.

We want to purchase 4 large pop up gazebos to use for outdoor events. To be used at Healthy Lifestyle Centre, Corbett Community Library, street events, Christmas markets outdoor tea parties and picnics etc.

We would like to be able to put on more outdoor events throughout the year for the community. To be able to purchase 4 gazebos will enable us to do so and give those who attend these events shelter from the sun, wind and rain. A place for all ages to be outdoors and meet local neighbours.

The CRA would also loan these gazebos out to other local groups to ensure we all work together and share resources.

Amount applied for from the Catford South Local Assembly:	£1000
Purchase Gazebos/marquees	£2000
Total Project Expenditure	£2000
Income (where the money is coming from)	
Assembly Fund requirement	£1000
Other Funding: Corbett Residents Association	£1000
Total Project Income:	£2000

Organisation:	Culverley Green Residents Association
Project Title:	Improvements to the Green
Application Amount:	£500
Priorities Addressed:	Improving Catford South for residents
Project overview:	

Improving the Green

In this Project our main aim is to open up the accessibility of the Green to a wider age group. It is the largest public green space within the Catford South ward. (The two parks are in our neighbouring wards.)

It is situated in large residential area which contains a mixture of privately owned properties, landlord properties, HMO's, social housing, and care homes.

We have a high number of residents living in the area in the 65+ age group as well as many families with young children. It is these two age groups who would benefit from having a bench to sit on. Our older residents enjoy the Green but are unable to take full advantage of it as there is nowhere to sit apart from the grass!

How much nicer would it be for them, to be able to come in and sit on the bench and enjoy the green space and rest before resuming their walk. A bench would also be beneficial for parents to sit on while their pre-school children can play especially for the many flat dwellers that we have in the area.

Lastly having a bench would offer us an ideal opportunity for using it as a spring board for our more ambitious project for having railings restored around the Green.

Showing the Green as an area that is accessible and used by all members of the community would make us a more attractive project to any railing sponsorship funding.

Amount applied for from the Catford South Local Assembly:	£500
Oval Park Bench	£399 inc vat
Anti-theft fixings	£100 inc vat
Installation	£150
2 planters	£90
Plants	£20 inc vat
Soil	£40 inc vat
Delivery	£60
Total Project Expenditure	£769
Income (where the money is coming from)	
Assembly funding	£500
Other Funding – Culverley Green RA contribution	£279
Total Project Income:	£769

Organisation:	Diamond Club / St Andrews Church / Brownhill Baptists / Holy Cross
Project Title:	Catford Connects Older People
Application Amount:	£2,270
Priorities Addressed:	Activities for older people
Project overview:	

Catford Connects Older people

This project brings together three differing church halls in Catford South to deliver in partnership weekly activities for older people including Tai Chi at St Andrews church hall, a fellowship meeting on a Thursday at Brownhill rd. Baptist church and a seated Yoga class at Hartley Hall, Holy Cross church.

The activities on offer would improve health and wellbeing and reduce isolation. The project will connect with other local providers and invite organisations to share information such as Mindcare, Carers Lewisham and Age UK.

The groups would be on different days so enabling people to access some or all and each one is on a good public transport route and the venues are fully accessible. Each of the activities would be for an hour and a half and would incorporate a social element with refreshments giving people a chance to strengthen relationships.

The project will connect with the wider "Bring me Sunshine holidays at home" project which will be delivering 12 larger events throughout the year.

The project gives opportunities for volunteering and each of the volunteers and deliverers of the project will receive a Dementia Friends awareness session ensuring each of the sessions are dementia friendly. Volunteers would be encouraged to cross over to each of the sessions creating a more cohesive team of community connectors.

The project has scope to further develop its partnership with other initiatives helping to bridge the gap in social care in an area which has a large population of people over 65.

Amount applied for from the Catford South Local Assembly:	£2270
Tai Chi Facilitation £30x 20 sessions	£600
Yoga Facilitation £40 x 20 sessions	£800
Donation for Hall use	£600
Refreshments- £10 x60 sessions	£600
Publicity- Approx	£100
Total Project Expenditure	£2700
Income (where the money is coming from)	
Assembly Fund requirement	£2270
Other Funding - contributions requested £2 per session x 20 attendees at 3 sessions	£130
Other Funding Quarterly raffle with donated prizes	£300
In Kind Funding: Hall Hire given in Kind approx. £2400	
In Kind Funding: Volunteer Time c £1400 in value	
Total Project Income:	£2700

Organisation:	Lewisham Tigers FC
Project Title:	Football Development Programme
Application Amount:	£1110
Priorities Addressed:	Activities for children and young people
Project overview:	

Lewisham Tigers FC Summary in support of application for funding from Catford South

Assembly Purpose of the funding:

Oh Lewisham Tigers has grown with now 109 members, the club has grown beyond our dreams (and of our football development plans). The success of the club in the Catford South Area has been through the relationships the club has drawn within the community.

With the growth of Lewisham Tigers having an impact on the young children and volunteers of all ages who attend the Abbotshall Healthy Learning centre, the clubs training and match home ground.

The club has become heavily involved within the community working with residents, parents, volunteers and young people this is a very specific project within the clubs wider development programme not only with the coaching young people to play football but also with the running of the Healthy Lifestyle Centres.

With the funding we will be able to provide:

- Develop a new under 8s boys team and coach for this year/season
- Affiliation of this new team to the London Football Association (FA) and League

By joining the local community by becoming members/trustees of the Healthy Lifestyle centre, promoting the advantages a community run asset for everyone. Sharing the equipment we purchase with this funding with Abbotshall. Thanks - Lewisham Tiger FC

Amount applied for from the Catford South Local Assembly:	£
Team Affiliation to League/County FA	£90
Coach qualification (Level 1) and Online Disclosure checks 200	£200
Match kit for 10 new players -	£350
Footballs for training and matches	£150
Training aids and equipment including Training cones, bibs	£50
small match goals	£270
Total Project Expenditure	£1110
Other funding	£0
Total Project Income:	£1110

Organisation:	Lewisham Youth Theatre
Project Title:	Lewisham Youth Junior Theatre Project
Application Amount:	£1400
Priorities Addressed:	Activities for children and young people
Project overview:	

Lewisham Youth Theatres Junior Youth Theatre Performance Project 2019

what is it? A *free* drama & performance project for 8 to 11s from January to June 2019. Weekly sessions at the Broadway Theatre rehearsal room on Tuesdays or Saturdays. Lead by Professional Youth Theatre Directors a full show in the Broadway Studio at the end of the project.

Who can take part? This funding is for Catford South young people to take part. Young people from Lewisham also take part.

How will children find out? We run FREE taster sessions in Catford South Schools. We list it on lovecatford.co.uk Leaflets at Catford South events in the libraries & notice boards.

What will children gain?

- Creative skills – a chance to develop drama skills of course but it's also about developing imagination, a chance to express ideas & use thinking skills in a different way to school.
- New friends. Children from all over Lewisham take part.
- Team work & leadership skills – we always choose shows that allow everyone to shine, we don't have just one lead. We are working with The Horniman Museum this year.
- Improve reading, (through scripts) speaking and listening skills, (in the rehearsals & on stage).
- Pride in their performance as the show will be at the Broadway Theatre in June, shared by family & friends.
- Chance to see a theatre performance in London as part of the project.

What happens after this project end? Once a child has taken part they will *always* be told about other opportunities at LYT. And our projects are for 8 to 24 year olds. We do Technical theatre as well.

Amount applied for from the Catford South Local Assembly:	£1400
Staffing Costs : Sessions Delivery - 4 youth theatre directors for Saturday & Tuesday Groups from Jan to June 2019 inc all planning delivery & evaluation	6000

Organisation:	Ravensbourne Residents Association
Project Title:	Catford Community Clean Up
Application Amount:	£775
Priorities Addressed:	Improving the Catford South Environment / for residents
Project overview:	

COMMUNITY CLEAN UP

This initiative is part of a wider campaign to **Clean up Catford** and was suggested by various members of the Catford South community.

Our part of Catford is a great place to live, but there is a lot of fly tipping and litter dropping which spoils it for everyone. We want to do our bit to make our community as good as it can be. Several members already litter pick in Catford South, but we need better quality equipment and clothing to enable more volunteers to take part.

We aim to have around 12 Litter Wardens kitted out with hi-viz jackets, heavy duty gloves, litter bags, and ring bag holder.

We would undertake weekly litter picking tackling particular “grot spots” as well as monthly clean ups to tackle larger areas. **The Great British Spring Clean Up** is happening in March 2019. We will be taking part and have already registered to carry out a major clean up during the campaign period.

We will share our success by regularly publishing “before and after” pictures as well as logging the amount of bags collected on Love Catford, Keep Britain Tidy and our own websites.

The longer term aim of the **Clean-up Catford** campaign is to work with others to reduce the amount of fly tipping and litter within our community and encourage the establishment of similar groups elsewhere.

Please do support our campaign which is entirely run by volunteers to benefit everyone who lives in or visits our part of Catford.

Amount applied for from the Catford South Local Assembly:	£775
12 Streetmaster Litter Kits [comprising hiviz jkt picker gloves and storage bag av price £29.75 to £30 inc VAT	360.00

Priorities Addressed:	Activities for adults
Project overview:	

Third Thursday Time is a monthly evening drop-in held at Hartley Hall in Catford, open to all over 16's in the local area. We provide companionship, a listening ear and activities aimed at promoting mental well-being for people with lived experience of mental health issues, carers and anyone else who would like to join us in a friendly, accepting and relaxed environment.

Our café offers drinks and snacks, arts & crafts, a book swap and board games, and we have regular singing sessions, massage available and a quiet space. Each month we also hold an activity session aimed at promoting mental well-being – for example, mindfulness, Tai Chi, yoga or Zumba.

Volunteers have DBS clearance, and some have Food Hygiene and Introduction to First Aid training, and we have all attended mental health awareness training. Session leaders are qualified in their own field. Most volunteers have experience of living with mental health issues or as carers.

We collect feedback and suggestions after each session, and are hoping to provide more activities as requested by our users, although we are not subsidised and donations do not presently cover costs of more qualified session leaders. Success today would make our “wonderfully relaxing, fun, enjoyable” evenings more responsive to what our users want.

If you, or someone you know, would benefit from joining us on the third Thursday of the month, 5.30-8.30, you are welcome

Amount applied for from the Catford South Local Assembly:	£1,740
Physical Activity SUCH AS Zumba, Yoga, Tai Chi, Dance £40 x12 Sessions	£480
Extra talks, and workshops £80 x12 sessions	£960
Leaflet Printing estimate	£300
Total Project Expenditure	£1740
Other Income	£0
Total Project Income:	£1740

Organisation:	Torridon Primary School
Project Title:	Cleaner Air Hedge Fund
Application Amount:	£2500
Priorities Addressed:	Improving Catford south for residents and children
Project overview:	

The PTA of Torridon Primary School are seeking to improve the air quality and playground environment at the school by planting a 6-foot high laurel hedge inside the perimeter fences.

At the junction of two busy roads, Torridon and Hazelbank, and surrounded by a metal fence, with a few trees and shrubbery dotted around the perimeter, the outdoor play areas are all very exposed to road traffic. Recent air monitoring revealed high levels of NO₂ – 56.6 µg/m³ (micrograms per cubic metre) – well above the legal limit of 40µg/m³.

Short- and long-term exposure to NO₂, even at levels below the legal limit, is harmful to health; children, with developing hearts and lungs, are especially vulnerable. Concerned about the children's health and keen to green-up the outdoor space, the PTA consulted with Clean Air for Catford (a local air quality group), local councillors, Lewisham's environmental protection officer, the head teacher, science teachers and local landscaping companies to find out the best course of action. Hedges have been shown to be particularly effective at absorbing air pollution in urban areas. Air monitoring done at another local school with a well-established hedge, for example, revealed significantly lower readings inside the playground than out on the pavement.

Pending full funding, we are thus proceeding with a multi-phase project: planting a hedge around the KS1 and KS2 playgrounds and, in the nursery and reception areas, where space is tight, putting up thick bamboo along the fence.

We hope you'll support our efforts to green-up Torridon and improve the air quality for the whole school community!

Amount applied for from the Catford South Local Assembly:	£2,500
Bamboo screen along nursery and reception fencing (costings as at April 2018)	£2000 (approx)
6-foot high laurel hedge planted around the Key Stage 1 playground (costings as at April 2018)	£5000 (approx)
Tree stump removal and planting of 6-foot high laurel hedge around the Key Stage 2 playground (costings as at June 2018)	£22,000 (approx)
Total Project Expenditure	c£29,000
Assembly Funding	£2500
Other Funding (which includes some provision for project maintenance) Lottery Funding, Mayor of London's Greener City Fund £30,000 PTA funding £3,500	£33,500
Total Project Income:	£36000

Organisation:	Young at Heart Group
Project Title:	Activities for Older People
Application Amount:	£1075
Priorities Addressed:	Activities for Older People
Project overview:	

The Young at Heart Group

Based at the Healthy Lifestyle Centre, Abbotshall Road, Catford, SE6 are a group who meet every week.

The vision was to have a place to meet people for companionship, a chat and go out on outings together and socialise in a safe environment. There isn't a group like this within a short walking distance in this vicinity.

Anyone with time to spend together when lonely or needed some support and to touch base with a group could join and come along with family, friend or neighbour – recognising that people may retire early or through ill health or need a friend to come with them. Some people don't talk to anyone for days or weeks, as their families could live far away and contact is limited. Having this group locally has been a great support to people especially as carers for elderly and or disabled parents or partners.

We want to appeal to people of all ages. We believe that this could improve community links and beat loneliness if we can!

With an Email address, WhatsApp group, calendar, had a museum trip, a tea dance and are planning our own activities to host in the coming months

We urgently need a base to meet, funding for activities and events to grow the group. To hold events - exercise classes, chair yoga, play games, walking/ reading group or professional to speak to the group about issues like preventing falls, keeping active, Tech support for IT devices.

Amount applied for from the Catford South Local Assembly:	£1075
Resources, Paper, Handcraft materials, stretch bands and balls for seated exercise.	£300.00
5 trips - Subsidised entrance costs to museums, gardens, cinemas.	£250.00
Cost towards hire of vehicle to transport frail or people with mobility issues.	£200.00
Cost of meeting space hire 40 weeks @ 2hours, X £10 per hour	£800.00
Total Project Expenditure	£1550.00
Assembly Fund requirement	£1075
Other Funding - users donations	£75.00
In Kind Funding HLC hall hire 50% reduction	£400.00
Total Project Income:	£1550

Who else can you talk to tonight as part of the event?

TEAM
CATFORD

Team Catford!

Creative ideas for Catford

Our community engagement is well underway and we've gathered ideas from over 1,100 people on the Commonplace website and via face-to-face events. Over the last month, we've popped up at Little Nan's, the Rushey Green local assembly, two consultation events at the library and the Lewisham Pensioners' Forum Financial Fair. Nearly everyone has told us Catford has a special character that we want to preserve as we embark on the big changes - we agree!

Please chat to us tonight if you can

If you can't make it, add your thoughts to the map at <https://catfordtowncentre.commonplace.is>

To contact us by post simply write **FREEPOST TEAM CATFORD** on the envelope and your letter will find its way to us – promise!

Alternatively, you can email hello@teamcatford.com, call us on 0800 772 0475 or follow us:

Local Democracy Review

Lewisham Council has set up a Local Democracy Review Working Group to help local residents, community groups and businesses get more easily involved in the democratic processes and will make recommendations on how the Mayor and Council could:

Enhance their openness and transparency,

Increase public

involvement in Council decisions and

Promote effective decision-making

You can share your views, experiences and suggestions for change

with representatives from the Local Democracy Review at the Catford South Assembly tonight

Alternatively, you can complete an

online questionnaire or visit our website at www.lewishamdemocracy.com.

Get the Lewisham Lowdown

The lovely Alison AKA Lewisham Lowdown will be available to help you out with Twitter and other social media. She is also at the assembly to promote the #ChristmasLowdown

Get the Christmas Lowdown

Do you love shopping locally? Are you a small business? Join in with the [@Lewishamlowdown](#) twitter/instagram [#supportlocal](#) challenge this December. Every day we will be sharing pictures of great present ideas that you can buy locally using the hashtag [#ChristmasLowdown](#) Everyone can join in and get some great ideas for present shopping while supporting the local community. You can follow [@LewishamLowdown](#) on Twitter, Instagram and Facebook. Why not follow [@Love_Catford](#) too
